About Us

At Al Bait Al Hadi PREFAB HOUSES IND L.L.C.SP, we take pride in being a leading manufacturer of high-quality prefab products. With a strong focus on quality engineering and value-driven services, our goal is to become the top choice for prefab solutions in the region.

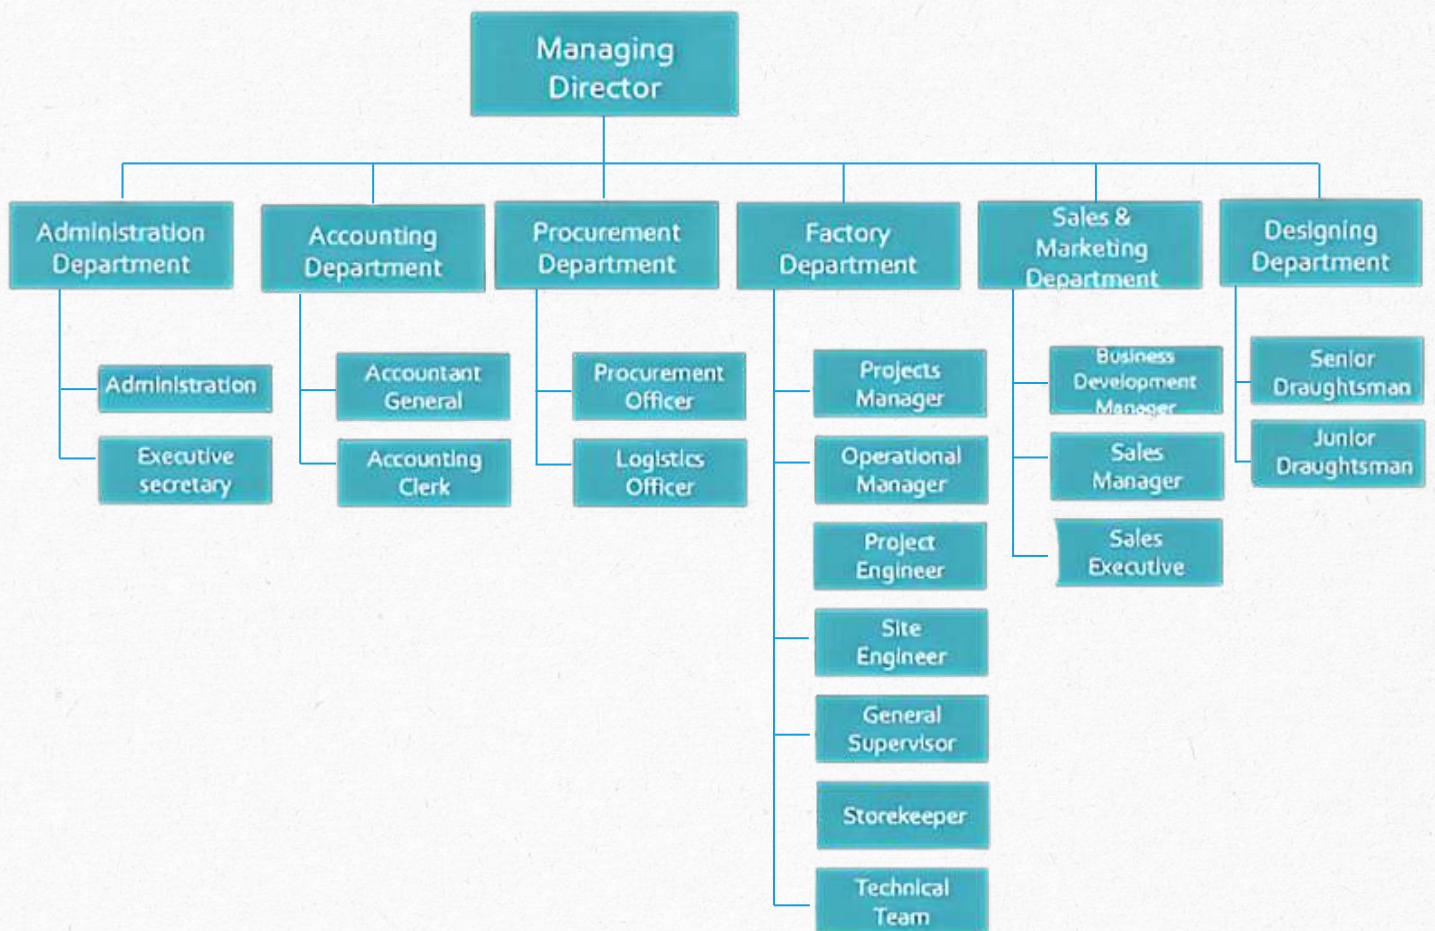

We offer cost-effective and durable prefab structural systems, serving a range of prestigious clients. Our products are designed to meet the highest standards, combining strength, durability, and aesthetic appeal. Through strict quality control, we ensure that every product we deliver is built to last.

Our experienced engineers bring their expertise to every project, providing clients with guidance on design options, engineering solutions, and cost-effective strategies. We believe in maintaining the highest business ethics and value the contributions of our team and partners.

As an ISO 9001:2015, ISO 14001:2015, and OH&S 45001:18001:2018 certified company, we adhere to the strictest industry standards, ensuring the quality and safety of everything we do.

Company Structure

Objective & Values

Objective

Our main goal is to become a leading, profitable company in the prefabricated housing industry across the Middle East. We strive to deliver high-quality products while prioritizing customer satisfaction and safety. Additionally, we aim to continuously attract and nurture new talent while developing environmentally friendly projects to support long-term growth.

Values

We are dedicated to environmental responsibility by ensuring that all materials, products, and working conditions meet the highest international environmental standards. Health and safety are core principles for us, both during production and assembly. We adhere to all regulatory requirements and uphold international standards. We respect the rights of our employees and human rights, assessing performance based on professionalism and efficiency in their respective roles.

Vision & Mission

Vision

Our vision is to become a customer-centric leader in the construction and prefabricated building industry.

Mission

At Al Bait Al Hadi , we are committed to growing our business by collaborating with prestigious companies. Our focus is on expanding our market share globally through turnkey solutions in pre-engineered steel construction, modular prefabricated buildings, and the prefab industries. With a reputation for delivering high-quality products in a short time frame, we will continue to serve the global market with excellence.
